Employment

Free-lance Designer/Producer. Chicago, Illinois. January, 2002—Present.

I have been working in the fields of interactive design and video production. I have been designing and programming interactive displays for trade show exhibits and flash portfolio sites for people in the broadcast and film industries as well as flash-based instructional seminars. I have also been producing event videos for various clients, including the Northwestern University School of Law.

Senior Production Artist, Clarity Visual Systems. Chicago, Illinois. February, 2001—January, 2002.

I designed and implemented animation content for digital signage displays. I also over-saw and provided training for the junior staff.

Free-lance Designer, Chicago, Illinois. June, 1997—February, 2001.

I worked as a designer on an independent basis for a variety of clients, including Jack Morton, Siren (a division of Frankel), Closerlook Creative, World Book Encyclopedia, and Ritchey Associates.

Designer, Closer Look Creative. Chicago, Illinois. June, 1996—June, 1997.

Acted as designer, artist, manager or programmer for a variety of clients, including Rand McNalley, Andersen Consulting and Dynatech Industries. Projects included design, graphics and animation for web, CD-ROM and video.
